00:52:23 Charles Betterton: Love that "The healing answer is with IN!" -- Carl Rogers and Love Master Shannon

00:55:23 Grisworld: How can we speak?

00:56:24 Grisworld: Do we just start talking?

01:00:19 Charles Betterton: Well while I generally seek to stay away from politicss, I appreciated what Scott shared about how he and Bob get along so well even though they are on different ends of the spectrum. AND I am looking forward to the possible future sharing and adaptation of the Peace Master teaching in our governmental bodies. Speaking of getting stck in the story... When can we buy and give away copies of The Peace Gudeboob?

01:00:58 Charles Betterton: BOOK

01:09:46 Charles Betterton: Thank you Shannon G. for sharing! As a caregiver, I too experience the challenge you shared and appreciate your comments.

01:10:24 Terese: Being a Peacemaster truly puts us in the postion of being able to see not only ourselves & our own isses as we are, but others too in the light of the truth. This is the place where we can embrace the power of love & allow it to heal and transform people & situations we encounter. I am grateful for this meeting that helps me to continue to grow & better helpmyself & others ...

01:11:26 Charles Betterton: Terese. That is BEAUTIFUL wisdom, thank you for sharing.

01:16:08 Terese: Once we tap into & experience the higher energy of being in the position of a peacemaster as opposd to the negative draining energy of judgement & emotions we no longer desire to go back & revist the postion of NOT being a peacemaster

01:16:42 Charles Betterton: Terese, THANK YOU AGAIN. pLEASE DO CONTINUE TO SHARE IN THE FUTURE!!!
