

# **May We Dwell in the Heart**

By Robert Gass

May I dwell in the heart  
May I be free of suffering  
May I be healed  
May I be whole  
May I be at peace

May all beings dwell in the heart  
May all be free of suffering  
May all beings heal in the heart  
May we all be at peace

May you dwell in the heart  
May you be free of suffering  
May you be healed  
May you be whole  
May you be at peace

May all beings dwell in the heart  
May all be free of suffering  
May all beings heal in the heart  
May we all be at peace
